9. Next Meeting Date for MUG

Meeting ends on Wednesday, January 16, 2002 at 1:15 p.m. Central Time

=====

Hello follow MUG members ...

This is some follow-up work from our meeting in Chicago January 15-16, 2002.

Due to the weather in Chicago that day, folks were leaving quickly. So, here is what I have, as the items needing some follow-up:

1. need to fill the Consumer Representative role for the Midwest Users Group.
 - Consumer Representative role needs to be filled by someone who is comfortable in participating in these types of meetings, and who is actively involved in consumer oriented projects at the state level.
 - there is a \$150 per day honorarium for the consumer representative, plus travel expenses.
 - selection process ...
 - > each MUG state may nominate individuals who may serve in this consumer role.
 - > we will ask Olinda to select one person from the pool of nominated individuals.

2. Question to Olinda ...

Under the "Basic Tables", what method will be used by CMHS for developing "Table 1. Profile of the State Population by Diagnosis".

As we understand it, CMHS is to provide the data to States based on a standardized methodology. What method will be used for consistent reporting under Table 1?

3. Guest Speaker for next meeting.

As agreed to at the last MUG meeting, our next meeting date will be following the Southern Regional Conference on Mental Health Statistics. This year that event is scheduled for September 22-25, 2002 in New Orleans. The MUG meeting would be Sept 25-26.

Who would you like as a guest speaker? ... Topic ... person ...

4. Topic for next MUG agenda ...

Development of software ... inhouse development -vs- out source -vs- off the shelf.

I believe connected to this as a next meeting agenda item was a discussion on each states' experience with the member companies of the "Software and Technology Vendors' Association (for more on them see <<http://www.satva.org>>).
