

# Slide 1: MHSIP Consumer Survey Structural Equation Model with Positive Items

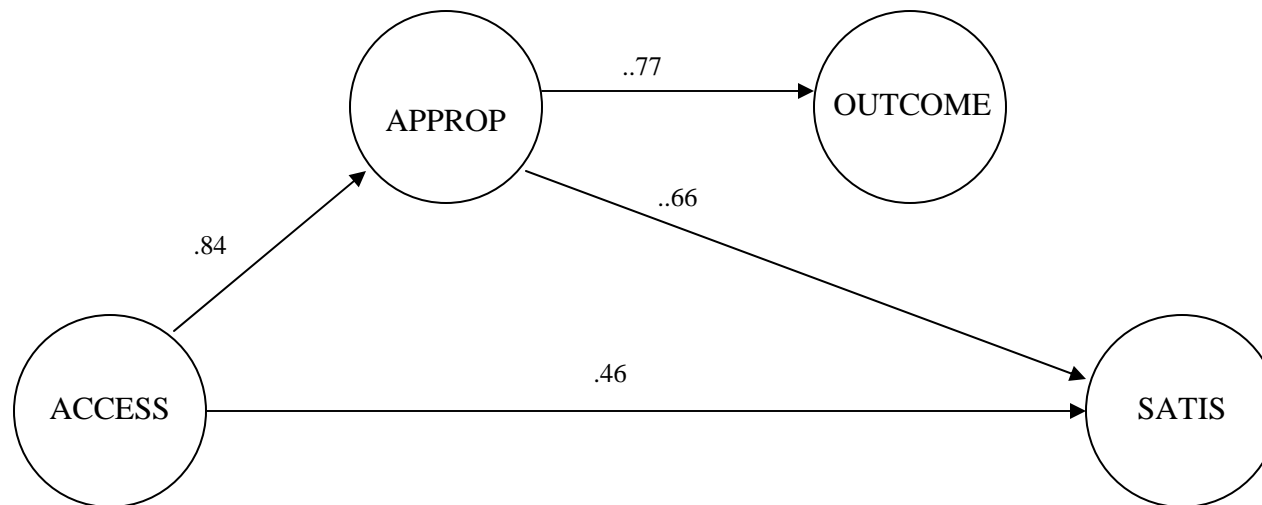

N=1400; 700 from RI & 700 from CO

Wackwitz, J.H. (February 10, 2000). Colorado Mental Health Services.

## Slide 2: MHSIP Consumer Survey Structural Equation Model with Positive Items

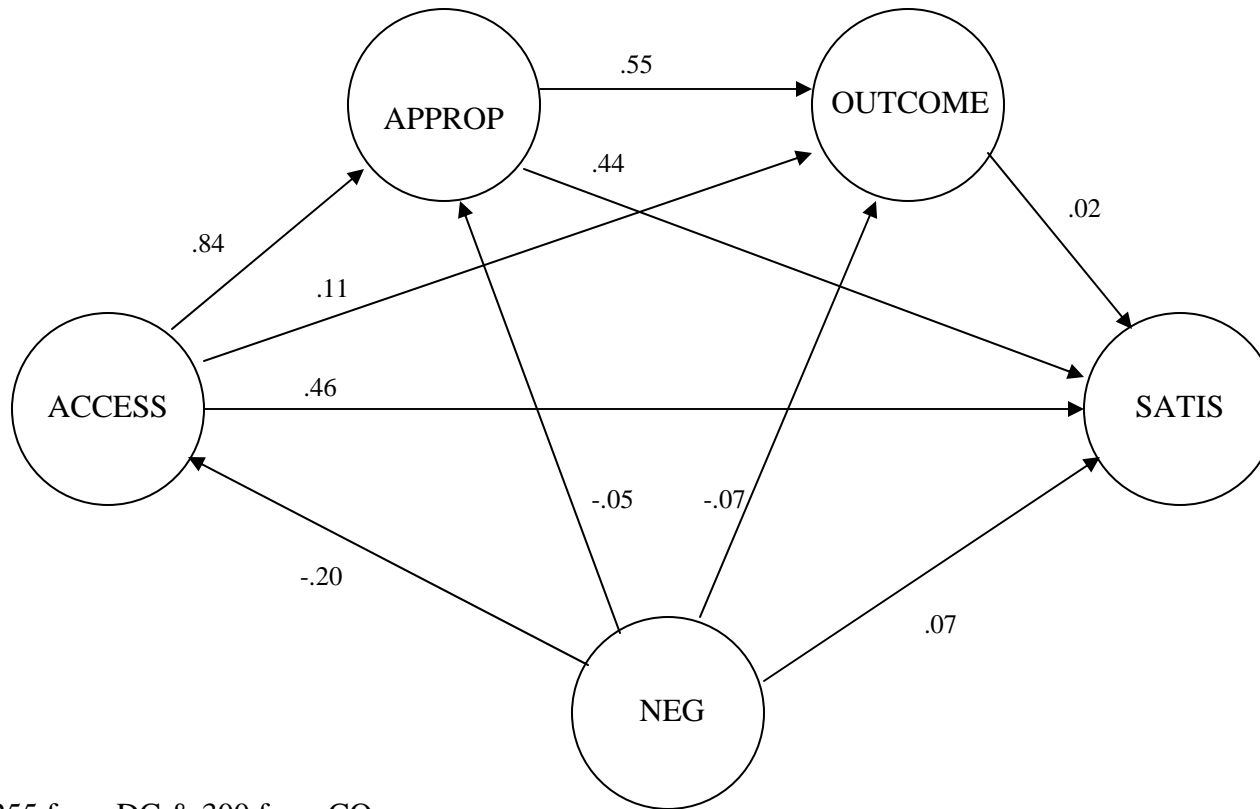

Non-significant Paths have been Dropped

N=1400; 700 from RI & 700 from CO

Wackwitz, J.H. (February 10, 2000). Colorado Mental Health Services.

### Slide 3: MHSIP Consumer Survey Structural Equation Model with Negative Items

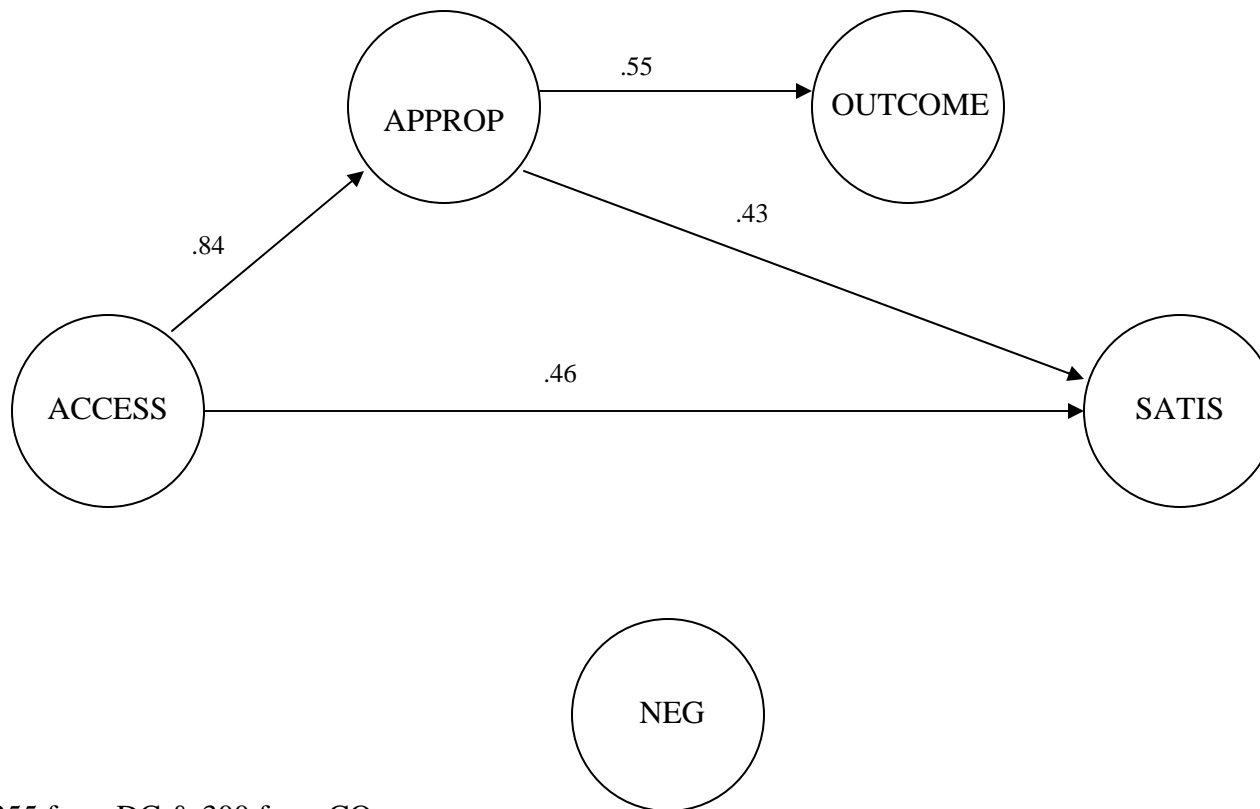

N=535; 255 from DC & 300 from CO

Wackwitz, J.H. (February 10, 2000). Colorado Mental Health Services.

# Slide 4: MHSIP Consumer Survey Structural Equation Models with Negative Items

Non-significant Paths have been Dropped

N=535; 255 from DC & 300 from CO

Wackwitz, J.H. (February 10, 2000). Colorado Mental Health Services.
